Follow High School studies abroad

Are you looking for a different experience in another country, where you can speak another language and live as a foreign college student?

- You can spend time in fantastic classes with well known college professors and become part of a community that offers opportunities to develop your language skills.
- You can participate in sport or creative clubs, like computer groups, libraries, excursions and much more.

High Schools Programs are offered in the following countries: Australia, Argentina, Canada, England, France, Germany, Ireland, Italy, Japan, Mexico, New Zealand, Spain, USA, Netherlands, Ireland, Malaysia etc.

Accommodation in high school programs is organized either in host families or student residences or inside campus boarding.

Criteria:

1. Age specified according to the respective country (from 13 to 18.5 years old)
2. Two or more years of study of a foreign language with good results;
3. Interest in learning a different culture and language;
4. Desire to share daily life with the host family and fully respect the program;

ande-lm® is under your disposal with a qualified staff that will assist you in the preparation of the documents and provide ongoing assistance during the program. High Schools are public and private. Costs vary due to local and relevant country, but through its exclusive partners ande-lm® reserves the right to decide on scholarships for the best Albanian students, while helping the family of the student and the student himself from the application to conclusion phase of the studies.

If you have any question regarding schools and profiles you would like to attend, ande-lm® offers the "Orientation Day" where you test yourself in the academic and personal skills to survive in a variety of real situations abroad.

Approach this opportunity now and experience living abroad and studying abroad while prices and life are better during High School studies. You may test yourself and decide for university studies with more maturity and realistic expectations.
